

# What Our Customers Say About Pipehorn Locators:

“...I started using Pipehorn 16 years ago. I have 5 locators other than myself, all use the Pipehorn. Ninety percent of our 20,000 locates x 6 utilities per year are done with the Pipehorn...**I’ve tried other locators over the years, but top to bottom nothing compares to the Pipehorn.** The Pipehorn is rugged, user friendly, and a precise locator, and precision is what counts in our line of work...”

*Jim Tileston – Gainesville Regional Utilities – Gainesville, FL*  
(Winner of the 2003 International Locate Rodeo – Gas Division)

“...Over the past 15 years, Colonial Gas Company, Cape Cod Division, has accumulated 19 Pipehorns. **We have had demonstrations from other pipe & cable locators, but have not found any to be priced as reasonable, reliable, or could match the performance of your locator.** Whenever we have needed service, which is usually due to operator carelessness, we have found your repair service to be swift and of high quality. For your past record with Colonial Gas Company, I would like to thank you and your staff for a quality product and great service...”

*Barry Fernandes – Colonial Gas Company – Hyannis, MA*

“...**It is everything you said it is – we are now depending entirely on Pipehorn.** We can highly recommend Pipehorn as a very dependable instrument for accurately and quickly locating underground pipe and cable...”

*R.E. Watkins Jr. – Watkins General Contractors – Martinez, GA*

“...This instrument has proven to be one of the best investments we’ve made. **Your Pipehorn has paid for itself many times over.** It has saved us hours of hand-digging...”

*J. Vernon Bishop – Bishop & Son – Doylestown, PA*

“...I used the Pipehorn, as I find it much more convenient, no stooping to operate, and I’ve accurately located service wires 8’ deep mixed in with phone and television. **Also, the Pipehorn works closer to the tone source – making service stubs easier to locate.** Thanks for coming up with a machine that makes my job easier...”

*John Thomas – Seattle City Light – Seattle, WA*

“...I have used this system for over 10 years now and **I find it works better than anything I’ve used so far.** I’m lost without it...”

*Dennis Fox – Culligan Water Conditioning – Tallahassee, FL*

“...**I love my wife, I love my animals, I love my job, and I love my Pipehorn...** Your Pipehorn has had a direct impact on my business...”

*Paul Bacon – Subsurface Informational Surveys, Inc. – East Longmeadow, MA*

“...**On behalf of PPL Utilities, I’d like to thank you for providing the best manufacturer equipment training I’ve seen.** I sincerely believe all 26 Servicemen left the session with a greater knowledge of locating underground facilities and they received excellent instruction on the use of the Pipehorn. Thanks again for an excellent training program...”
